

Moraga Horsemen's Association

October 2020

Calendar of Events

***October 17 – MHA meeting at the pasture
9 a.m. social and snack, 9:30 meeting.
November TBD - MHA meeting
December – Holiday party at the pasture?

Please note the change of date and time for our next meeting. We are hoping this alternative will work for all of us!

MHA Meeting Minutes for 9/15/20

Attending; (birthday girl) Laura Fend, Gary Fend, Corinne Roberts, Ute Frey, Linda Sanders, Laura Stetson, Shivani Rajan, Jenni Smith, Brenda Benkly, Sylvia Finger, Cindy Scribe, Sarah Scribe and Lis Strauss.

7:37 called to order by President Shivani Rajan.

Minutes – Jenni moved, Gary second
President's Report – nothing to report

Vice President's Report – a new member (Heather) got in contact but didn't make it tonight, she's hoping to come next time (sounds very nice)

Treasurer's Report

- \$ 31,158.88 pasture
- \$11,380.51 club
- Insurance bill \$1600 (down because there are things we don't need)

Pasture Report

- Dry, slippery, low food content, horses are cranky
- Down two horses, 11 total now
- Not adding at this point in year, good to be lower going into winter
- Good pasture meeting on prior Sunday – ideas on proactive fire plan communicated to EBMUD
- Laura S. reported that she moved the signs between Rimer and Tharp to make sure they are less likely to injure a horse.

Old business

- Jack Brooks weekend alternate plan discussed, nothing decided
- Trail user appreciate day postponed indefinitely – until we have more certainty to what the future holds (much derision at this possibility)
- Christmas party at Shivani's cancelled, suggestion is to have an outdoor holiday party at the pasture in the AM (levity around the potential arrangements for this)

New business

- Discussion around having upcoming club meetings in the AM at the pasture (vs. Zoom)
 - Confirmed Saturday 10/17 at 9:00 AM will be next meeting time/date – breakfast meeting w/coffee cake and mimosas increased the appeal for most members

Laura F motioned to adjourn; Gary seconded
