Officer slate- everyone agrees to keep their positions. Sylvia would like to be Member at Large. Slate will be approved at that meeting.

Christmas/holiday party will be Sunday December 11 2-5 at Lisa's house. Question of whether there will be a silent auction, tack swap. There will be line dancing.

As for clinics and educational ideas, Laura suggests surveying interest for a Chris Ellsworth 1.5 day clinic with 1/2 day trail clinic. Possibly early June?

First Aid clinic with Cory in the Spring. Cory can also discuss breeding.

Endurance 101 clinic with Nick Warhol

Suggested camping trip is Jack Brooks facility in Woodside. Allison went last year with a group who rented the entire place and they discussed allowing others to join. It's too early to reserve for Sept/Oct so we will revisit this in Jan/Feb.

*Quite a bit has changed since this meeting. A variety of board members are jostling around to fill positions. If anybody is interested in joining our Board of Directors, please contact Ute - uteatoha@gmail.com
