- Waiting for approval for projects from EBMUD. Going to do it regardless. Putting in electric fence in Little English. Also putting up fence inside of

barbed wire by the quarry. Also going to build cement slab at wash rack.

Old business:

- Bylaws update mostly done so bylaws can adapt and be flexible. We don't need to submit Bylaws to the state.
- The Recipe Book is on pause. Linda wants to be part of it but now she is out of town. Back in mid-March. Discuss in March at meeting Members can still send recipes. Cute pictures with charisma are good.
- Signs - Ute working on it. MHA and When you meet a horse signs, plus the directional signs. Ute will send around link. Then move forward with EBMUD. Put signs on fence or building. Maybe EBMUD will put on kiosks. Directional signs about the pasture and perimeter fencing and meet a horse.
- Teasel rosettas in soil – discussion regarding digging them out and discussion regarding EBMUD /herbicides- no not allowed at all.

New Business:

- Breakfast ride discussed for meeting on May 15th. Plan to hold meeting after the ride. Be ready to ride at 9:30. Meeting at 12:00- 1:00 after ride. Some people can hike and others ride.
- Call for speakers for this year: Maybe someone to talk about birds, worms. Linda S maybe next meeting's speaker.
