MHA Meeting Minutes - 6/21/16

Attending: Larry Hunt, Gayle Jackson, Karen Bottiani, Lynda Sanders, Penny Sinder, Laura Stetson, Jenni Smith, Corinne Dutra-Roberts, Kristin Ojala, Laura Fend,

Gary Fend, Rob Harrison and Rachel Rezos

Minutes from the May meeting were approved

President's Report:

Attendees at the May meeting voted to name Xenophon as the beneficiary for the Ponies and Pumpkins event. It was decided by those attending the June meeting that 50% of the profits will be donated.

Corinne will send out a poll via email regarding the "Mad Dog Saloon".

Vice President's Report:

Jenni passed around the pasture wait list and activities sheets for members to check and update as needed. Notices will go out to individuals on the wait list who have not met the activities requirements.

Treasurer's Report:

The pasture account balance is \$22,923.80 and the general account is \$13,701.99

Pasture Report:

In spite of the dry weather there is still quite a bit of food, the horses are fat. Ticks and chiggers have been abundant as well, unfortunately. The 14' gate between the Homestead and English pastures needs to be replaced. Larry Hunt offered to investigate.

Old Business:

The first Ponies & Pumpkins planning meeting was held. Kristen is VP at Tilden Wildcat Horseman's Association and suggested to that group that members volunteer for P&P and have an information booth. They are predominantly an equine trail advocacy group and could educate the public on those issues.

A P&P volunteer sign up sheet will go out to MHA members via email. Please sign up for hours. We will need a lot of support!

New Business:

There have been no new sign ups for the Jerry Tindell

clinic though people have committed verbally. Four people have signed up and paid fees.

The Jack Brook camping trip is rapidly approaching. The club has paid the reservation fees. Gayle sent an email with what horse campers will owe. The horse spots are filled with a wait list but there is room for additional people. Gayle will send an email to organize carpooling.

Kristen suggested a day ride at Pt Reyes. It will likely be a Wednesday in July or August.

Meeting adjourned at 7:50pm, near record efficiency!

Jenni and Claudio on his first Redwood Ride!

Jerry Tindell Clinic September 23-25

There is still room in the clinic, so be sure to contact Susan Brewer to reserve a space!
